

LEAD

Learn to lead biomedical research- International postdoc leadership programme

THE INTERNATIONAL POSTDOC TO LEADERSHIP PROGRAMME - LEAD

The Biotech Research & Innovation Centre, BRIC, University of Copenhagen

2021 CALL - Application deadline February 22nd

8 full 3-year postdoc fellowships available

Start date September 1st

Are you:

- Interested in specialized training focused on developing your research leadership skills?
- Eager to understand why diseases arise and how they can be treated?
- Scientifically curious and driven to pursue an independent research career?

Participating in the LEAD programme will provide you with tools and insight to identify and overcome the obstacles for pursuing a career as a research leader in either academia or industry/biotech. 16 postdoc fellowships are available. 8 in 2021 and 8 in 2022. The program offers full 3 years fellowships at a top European research centre.
